Distribution SENT WASHINGTON REPTO 1522, REPEATED GENEVA REPTO 30.

Reference Despatch 39 from USRWSDEL ECE Geneva on
Subject USDEL to fifth Session of ECE.

I am generally in accord with recommendations contained
in reference dispatch and would appreciate appropriate
action.

In this connection would appreciate being kept closely
informed re material under preparation in Department for
use USDEL at subject meeting and especially that referring
to East-West trade matters on which customary attacks
from East may be expected. It is essential that we
have available broadest possible collection of material
concerning Soviet economic practices and conditions
for appropriate use in rebutting Soviet attacks on us
and if necessary counter-attacking.
